EXPERIENCE LUXURY TAILOR-MADE FOR YOU

The exclusive hotels in the Hommage Luxury Hotels Collection are a blend of top-class service, regionally influenced starred cuisine, high-quality wellness amenities and unique moments. We promise to make the time you spend in our hotels an unforgettable experience. Every one of our hotels is closely tied to its position, surrounding area and distinctive region – and you can experience this for yourself in a very personal way. Our carefully selected exclusive experience offers, such as an early morning oyster harvest with an award-winning chef, complement our reinterpretation of contemporary luxury and satisfy your desire for the subtle difference that transforms a stay with us into a lifelong memory.

WHERE MOMENTS MAKE MEMORIES

LOCAL DELIGHTS AT THE HIGHEST LEVEL

The best way to learn about a place is probably to discover and try out its distinctive cuisine. Each of our hotels invites you to sample regional specialities and dishes for yourself. Using only the finest ingredients from our regional partners, our top chefs create delicious works of art – on Sylt and in Wiesbaden even at Michelin star level – that are rooted in the local food cultures.

When staging the dishes, the craftsman's sense of perfection comes into its own, so that every single course becomes a culinary event and an experience to capture all the senses.

WHERE TIME DOESN'T MATTER

It is important to be able to leave the hustle and bustle of everyday life behind. Each of our hotels contains perfect little havens of peace and relaxation. The spa area – a place where precious minerals revitalise the skin – will become your new favourite refuge. Let our hotels become your personal fountain of youth, with top-class, tailor-made beauty treatments and massages to soothe the soul. Let stress drift away as our skilled yoga teachers support you to regain your inner balance.

THE PLEASURE IS ALL OURS

Special life events deserve a special setting. In our hotels, we ensure that the most important days in your life are an unforgettable highlight for you and your guests.

Whether you're celebrating a wedding, a milestone birthday or a career promotion – we always go the extra mile for you. This begins with detailed planning of your celebration: choose from a small, private room, the festive ballroom, or even private use of the entire Sólring courtyard as your personal sanctum. Our dedicated staff will guide you through the preparation and support you on the big day itself. Our commitment to offer our guests exclusive experiences during their stay with us means that we are your trusted partner when it comes to transforming your most precious moments into lifelong memories.

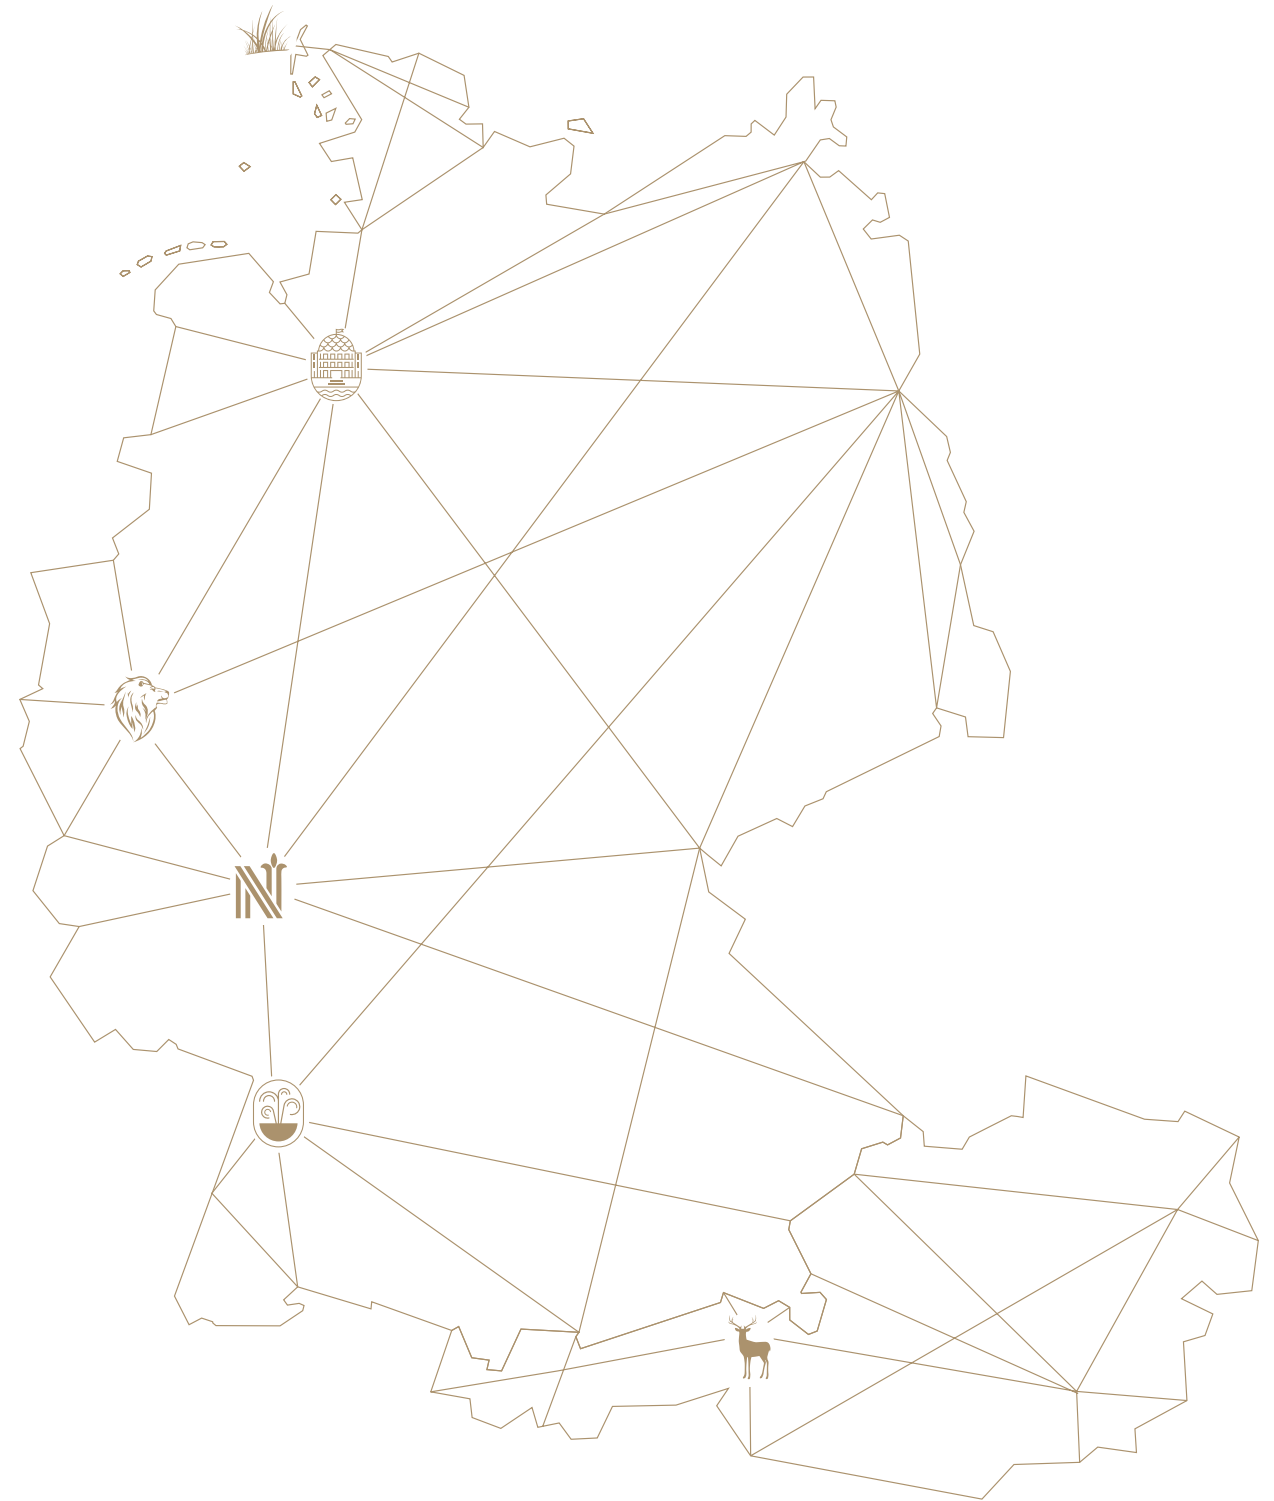

WHAT OTHERS DON'T GET TO SEE

Our guests get exclusive access – bringing them, as authentically as possible, closer to the region and the local culture. The Hommage moments created for this purpose will guarantee that you take away unique memories of your visit. Anyone can visit the museum, but only we can offer you a private guided tour outside normal opening hours. Visit a traditional vineyard and pick the grapes yourself. Experience a private early morning mountain hike and afterwards enjoy a champagne breakfast while the first rays of sunshine kiss the Alps.

All Hommage moments are tailored to each location and environment. They are dependent on the season, always limited in numbers and can be booked exclusively with Hommage Luxury Hotels Collection.

BETWEEN GRANDEUR, INDULGENCE AND NORTH SEA BREEZES

When people talk about Sylt, they think of the North Sea, dunes – and luxury. At the Söl'ring Hof, we have a very personal, even unique, interpretation of this three-fold image of Sylt: peace and relaxation in a haven with only 15 exclusive rooms, top-class cuisine that will enthrall you and expansive views of the North Sea that will leave you speechless. With its literally outstanding position high on the dunes of Rantum and just a few steps from the North Sea, the Söl'ring Hof is undoubtedly one of the most exclusive addresses in the whole of Germany.

Your day can start whenever you decide, as the gourmet breakfast is naturally served for as long as you want. After that there is a lot to discover: for example, a cookery course with chef de cuisine Jan-Philipp Berner will take you to new culinary realms. For those who have a penchant for exquisite port, there is the best choice here north of

Idyllically located on the shores of the Hollersee, the hotel offers the perfect combination of peace and nature in a central location – your city hideaway in the park. The interior, modernised in 2020, harmoniously complements the palatial façade and the hotel's history, which dates back to the 19th century. For the inhabitants of Bremen, the hotel is an institution: in this cosmopolitan city, it is a custom to celebrate important life events in the Parkhotel or round off a Sunday walk with delicacies from our in-house patisserie.

Afternoon tea in the dome hall

During the day you can linger and enjoy a classic afternoon tea away from the hurly burly of everyday life. What makes our hotel so special? Maybe the warm Rhenish hospitality, which, in Hotel Kö59, is combined with the especially attentive and committed service of our staff. Or perhaps its exclusive location on Düsseldorf's main boulevard with its boutiques, designer stores and galleries. Or even its easy walking distance to the old town, the Rhine, the Medienhafen, theatres and museums. Or could it be our bar The Golden with its special mixology concept and the Kö59 by Björn Freitag restaurant which reinterprets traditional Rhenish cooking taking inspiration from international cuisine.
